

**Finnish Organization of Canada. Finnish-Canadian Play and Operetta Manuscript Collection on Microfiche.** Toronto: McLaren Micropublishing, 1974. 76 fiches.

**COVERAGE** This collection includes 51 original play and operetta manuscripts from the collection of the Finnish Organization of Canada. The works were written in Finnish, mostly during the 1920's and 1930's, by first generation Finnish immigrants to Canada. The collection is a primary source on Finnish immigration to North America, especially to Canada. It also documents radical movements and working class history in Canada and the United States.
