

**History of the Great Patriotic War of the Soviet Union. 1941-1945.** Wilmington, DE: Scholarly Resources, 1984. 7 reels.

**COVERAGE** This collection was originally published as *Istoriia Velikoi Otechestvennoi Voiny Sovetskogo Souiuza 1941-1945* by the USSR Ministry of Defense and then translated into English by the U.S. Army Center of Military History and the Foreign Technology Division, Air Force Systems Command.

It includes the complete official Soviet history of World War II written by some 200 historians and army officers, and provides information on Soviet involvement in the war. It focuses primarily on the struggle with Germany but also covers other theaters. It provides details of all military operations and descriptions of the wartime economy, politics, diplomatic relations, and society. It is considered one of the most significant historical documents produced in the Soviet Union. In addition to its importance in the war's historiography, this work is a valuable exposition of the development of a widely influential military doctrine.

**ACCESS** Consult the index, included in the collection, which lists dates, names, geographic locations, and subjects. Give call number, title of the collection, and the reel number.
